PAZLO EDUCATION FOUNDATION BULLYING AND HAZING POLICY

PazLo Education Foundation is committed to providing a safe and civil learning and working environment. PazLo Education Foundation takes a strong position against bullying, hazing, and any behavior that infringes on the safety or well-being of students, employees, or any other persons within the PazLo Education Foundation jurisdictions or interferes with learning or the ability to teach. PazLo Education Foundation prohibits retaliation against anyone who files a complaint or participates in the complaint investigation process.

PazLo Education Foundation requires all personnel (PazLo, APEX Academy and Matrix for Success Academy) to promote mutual respect, tolerance and acceptance among students and staff. This is in compliance with Article 1, Section 28(c) of the California State Constitution which states, “All students and staff...have the inalienable right to attend campuses which are safe, secure and peaceful.”

This policy shall encompass behaviors or actions that occur among students, PazLo Education foundation employees (PazLo, APEX Academy and Matrix for Success Academy), and associated adults. The policy is applicable in all areas of PazLo Education Foundation’s jurisdiction, including school-related activities, events, programs and traveling to and from school.

GUIDELINES:

Bullying and hazing are part of a continuum of aggressive or violent behaviors. Some acts or bullying may constitute other categories of misconduct, such as assault, battery, child abuse, hate-motivated incident, criminal activity, or sexual harassment and, as such, violate other PazLo Education Foundation Policies. In such cases, PazLo Education Foundation personnel (PazLo, APEX Academy and Matrix for Success Academy) are obligated to follow appropriate policy reporting guidelines as detailed in this policy.

1) DEFINITIONS

- a) Bullying is any deliberate and wanted severe or pervasive physical, verbal, or electronic act (by means of an electronic device, including, but not limited to, cellular phone, chrome book, tablet, other wireless communication device, computer, pager, social media, snap chat or any other form of electronic means for the purposes of harming, intimidating, threatening or defrauding a person is a violation of California Penal Code 528.5-529.) that has the intention of, or can be reasonably predicted to have the effect of, one or more of the following:
 1. Reasonable fear of harm to person or property
 2. Substantially detrimental effect on physical or mental health
 3. Substantial interference with academic performance
 4. Substantial interference with the ability to participate in or benefit from school services, activities, or privilege.

- b) Hazing is a method of initiation or pre-initiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury, personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. Hazing does not include athletic events or school-sanctioned events.

- c) Students are any persons enrolled in a PazLo Education Foundation School. (APEX Academy and Matrix for Success Academy)
- d) Associated individuals are non-students who are affiliated with PazLo Education Foundation, including but not limited to parents/guardians, volunteers, vendors, contracted service providers, former students, spouses, domestic partners, and relatives or friends of employees or students.

2) TYPES OF BULLYING

All incidents must meet the impact criteria of bullying to be considered as such:

- a) Cyberbullying is committed by means of an electronic communication device, such as a cellular phone, computer, or tablet. Cyberbullying may include messages, texts, sounds, images, posts on social network, Internet websites, and the creation of false profiles or credible impersonations of another actual person without their consent (Ca Ed. Code 3221 (a-g), Ca Penal Code 528.5-529)
- b) Physical bullying includes intentional, unwelcome acts of beating, biting, fighting, hitting, kicking, poking, punching, pushing, shoving, spitting, and tripping.
- c) Social or relational bullying includes spreading rumors, manipulating relationships, exclusion, blackmailing, isolating, rejecting, using peer pressure and ranking personal characteristics.
- d) Verbal and non-verbal bullying include gossiping, making rude noises, name-calling, spreading rumors, hurtful teasing and threatening gestures.
- e) Playful teasing is good-natured joking and name-calling among friends with the intention of building closeness. By contrast, bullying is malicious teasing among individuals who are NOT friends with the intention of invoking harm, fear or humiliation. Teasing may have the unintended outcome of invoking embarrassment, whereas in bullying, invoking embarrassment is the intended goal. Teasing and bullying may appear similar, but the differentiating variables are the relationship between the parties and the intention of the perpetrators.

3) DISCRIMINATION AND HARASSMENT

All pupils have the right to participate in the educational process free from discrimination and harassment. Discrimination is different treatment on the basis of a protected category in the context of an educational program or activity, without a legitimate nondiscriminatory reason, that interferes with or limits the ability of the student to participate in or benefit from the services, activities or privileges provided by APEX Academy and Matrix for Success Academy. Protected categories include an individual's actual or perceived sex, sexual orientation, gender, gender identity, gender expression, race or ethnicity, ethnic group identification, ancestry, nationality, national origin, religion, color, mental or physical disability, or age, as well as a person's association with a person or group of these protected categories, or any other basis protected by federal, state, local law, ordinance, or regulation.

- a) Sexual Harassment is unwelcome conduct of a sexual nature directed at or about an individual on the basis of actual or perceived sex, sexual orientation, gender identity or gender expression. Anti-gay and sexist epithets are forms of sexual harassment. Schools should investigate and respond to such incidents under the guidelines of the relevant policy.

- b) Hostile Environment Harassment occurs when: (1) the target is subjected to unwelcome conduct related to a protected category; (2) the harassment is both subjectively offensive to the target and would be objectively offensive to a reasonable person of the same age and characteristics under the same circumstances; and (3) the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit the target's ability to participate in or benefit from an education program or activity.

4) SCHOOL PRINCIPAL OR SITE ADMINISTRATOR(S) RESPONSIBILITIES

Safe campuses require a multi-faceted approach with strategies to prevent, respond to, and recover from incidents of bullying and hazing. The school principal and site administrators shall create an environment where the school community upholds the standards of respect and civility and understands that bullying and hazing are inappropriate, harmful and unacceptable. Toward this goal, APEX Academy and Matrix for Success Academy shall:

- a) Communicate with and ensure that all certificated and classified staff, volunteers and vendors on campus:
1. Understand school and PazLo Education Foundation policies regarding bullying and hazing.
 2. Recognize the indicators of bullying and hazing.
 3. Understand their individual responsibilities to respond to, intervene, and report any act or incident of bullying or hazing.
 4. Promote mutual respect and acceptance.
- b) Provide instruction to ensure that students and staff are educated about appropriate online behavior and cyberbullying awareness.
- c) PazLo Education Foundation (PazLo, APEX Academy and Matrix for Success Academy) take reported cases of bullying and hazing seriously and utilizes positive behavior support strategies, progressive discipline, interventions, and corrective measures to address inappropriate behaviors.
- d) Identify the Title IX/Bullying Complaint Managers responsible for documenting and managing complaints of bullying or hazing. The Complaint Manager must maintain records of complaints of bullying or hazing.
- e) Ensure that all reports of bullying or hazing are investigated and documented and that appropriate interventions are implemented and monitored. There must be at least one documentation of monitoring within 30 days and resolution within 60 days.
- f) Ensure that disciplinary actions are in compliance with PazLo Education Foundation guidelines.
- g) Peer-to-peer bullying typically does not rise to the level of suspected child abuse. However, if child abuse is reasonably suspected, it must be reported to the appropriate child protective agency.
- h) Display the English and Spanish Title IX/Bullying Compliant Manager posters in prominent locations such as in offices and classrooms where notices regarding rules, regulations, procedures, or standards of conduct are regularly posted
- i) Post expectations of positive behavior throughout the school to communicate norms of socially appropriate behavior for classrooms, restrooms, eating areas, and other school activities.

- g) Report any complaints or incidents of bullying or hazing involving a PazLo, APEX Academy and Matrix for Success Academy employee to the site administrator immediately.

6) TITLE IX/BULLYING COMPLAINT MANAGER RESPONSIBILITY

- a) The Title IX/Bullying Complaint Manager must ensure that the school employs a comprehensive system through which allegations of bullying and hazing can be safely and easily reported, and that the ensuing investigations, interventions, monitoring, and resolution are documented.

7) STUDENT RESPONSIBILITY

Students are significant contributors toward creating a safe school environment. Students should:

- a) Be safe, respectful, and responsible for their actions at all times, during, before, and after school, and during school-related events and activities.
- b) Treat everyone with respect. Participate in school-wide efforts to celebrate diversity. Be sensitive as to how others might perceive actions or words.

8) RESPONDING TO BULLYING AND HAZING

It is imperative that schools investigate to determine if the behavior meets the criteria of bullying and hazing, make efforts to prevent its recurrence, and provide appropriate responsive actions. The following procedures should be followed in addressing incidents:

- a) Secure student safety.
- b) Assure involved parties that allegations are taken seriously.
- c) Obtain factual written statements from the involved parties and if appropriate, witnesses.
- d) Provide the Title IX/Bullying Complaint Manager with copies of the complaint and supportive documentation.

- g) California Education Code Section 48900 stipulates that schools may respond to bullying that is created by electronic means (i.e., cyberbullying) the originated on or off the school site if the incident meets the impact criteria of bullying and can be reasonably predicted to have the effect of one or more of the following:
 1. Reasonable fear of harm to person or property.
 2. Substantially detrimental effect on physical or mental health.
 3. Substantial interference with academic performance.
 4. Substantial interference with the ability to participate in or benefit from school services, activities, or privileges.
- h) For student misconduct related to bullying or hazing, document the investigation, interventions and actions taken.

The determination of findings and resolution must be documented and communicated to the complainant. Give a copy to the Title IX/Bullying Complaint Manager.
- j) Monitor to ensure that the misconduct has ceased. If there is a possibility that the incident has not been resolved, document at least one follow-up within 30 days of the initial filing to indicate the status of the investigation and actions taken. Within 60 days, document how the incident has been resolved.
- k) Targets and perpetrators of bullying and hazing may benefit from support to re-engage with the school community. Interventions should be reasonable, fair, age-appropriate, match the severity and nature of the misbehavior, and be paired with meaningful instruction and guidance.
- l) Bullying, hazing or harassment that is based on the person's actual or perceived characteristics or association with any protected classes, may also constitute discrimination or a hate-motivated incident and must be investigated. The school will follow its standard procedure of documenting its investigation, intervention, and monitoring.

- n) The determination of findings and resolution must be documented and communicated to the complainant.

9) RESOLUTION OF INCIDENTS OF BULLYING

Reported allegations of bullying must be investigated, monitored, and documented within 30 calendar days and resolved within 60 calendar days. “Resolution” means that an incident has been investigated and appropriate interventions have been taken to reasonably ensure that the specific behavior has ceased. The determination of findings and resolution must be documented and communicated to the complainant.
