### Notification to Parents and Students: Transferability of Courses

APEX Academy currently offers A-G course requirements for UC and CSU and as a new school, we are accredited by the Western Association of Schools and Colleges (WASC) for the maximum term of six years ( **through June 30, 2026**) resulting from a full self-study visit in the Fall of the 2019-20 school year. As a charter school, APEX Academy will maintain accreditation from WASC and offer courses that meet the A-G university requirements.

APEX Academy works with the UC staff to establish and maintain a course list for the independent charter school and applies to the UC Board of Admissions and Relations with Schools Committee, as necessary, for new course approval. All parents and students will be notified that APEX Academy is WASC accredited and thus courses are transferable to other public schools and offers A-G college requirements (Ed. Code § 47605(b)(5)(A)(iii).), and thus courses meet college entrance requirements, in the following ways: social media, summer mailings, school brochures, parent information nights, fall recruitment nights at feeder middle schools, updated website and our newsletters to the community. All documents are translated to meet the needs of non-English speaking households.
